

If you're struggling to answer any of the the questions on this form and would like to get a list with suggestiond of popular songs for each part of your wedding as a source of inspiration, have a look at this webpage: <https://robsoundz.com/suggested-songs-for-special-moments/>

Alternatively, we can also discuss your music preferences over a call. Just let me know if you prefer that instead. If I'm not scheduled to perform or be the MC during any of the parts mentioned in this questionnaire (particularly the wedding ceremony as I usually do not attend it), feel free to just skip those sections.

## Cocktail hour

---

**Do you have any preferences regarding the music played during the cocktails and canapés session? If so, which songs, artists or genres do you love the most?**

If you're struggling to find songs that you like, do let me know and I can help you by sending a list of cocktail songs that are often requested by couples. You can then see if there are songs on that list that you love and choose them.

## Wedding dinner

---

**Will you (and possibly your bridal parties) have a grand entrance before dinner? If yes, would you like one or some specific songs to be played during the grand entrance of you and your bridal parties?**

Normally I play the chorus of such songs during a grand entrance. If you prefer to hear a different part of the song, please also mention that here.

## Wedding party

---

**Will you do a first dance as a husband & wife? If so, which song would you like to do your first dance to?**

*Are you not sure what you'd like to do for your first dance? Do you appreciate some inspiration, tips or guidance? Please let me know and I will help you.*

- Is your first dance choreographed?
- If your first dance is choreographed, please let me know the exact version of the song that you are using for this. Ideally, please send me the MP3 music file of the song.
- If your first dance is not choreographed, would you like me to invite your bridal parties/ all other guests to join you on the dance floor about halfway through the song? (typically after 1,5 to 2 minutes)

**Will there be a father-daughter dance? If yes, which song would you like to do this dance to?**

**Will there be a mother-son dance? If yes, which song would you like to do this dance to?**

**What are your all-time favourite party/ dancing songs that you'd love to hear during your wedding party?**

As there are as many tastes in dancing music as there are wedding couples, it's important for me to know what kind of music you like to dance to. Brides and grooms sometimes each have their own personal taste, and they may differ considerably. As I'd like to please everyone, please let me know which your personal favourites are.

The list of songs can be as short or long as you want to, but it would be great if you can mention at least 15-20 songs in a numbered or bulleted list. If you have already compiled a song list in a different format, for example in Spotify or Youtube, feel free to share that instead/ as well so you don't have to type them all here.

If you're struggling to find songs that you like, do let me know and I can help you by sending a list of party songs that are often requested by couples. You can then see if there are songs on that list that you love and choose them.

For example, we can do a tunnel or circle of love to end the night in a beautiful way.

**Are there any other special moments during which you'd like a specific song to be played?**

## **Your guests**

---

As the majority of the people on the dance floor will be your guests, it would be great to find out what are the favourite songs of each of them. If we set up a group which is accessible to you and all of your guests, we can build the anticipation and vibe of your dream wedding well ahead of it actually happening. The easiest way to do this is to create a Whatsapp or closed Facebook group to which we invite everyone to join and mention their 1 or 2 all-time favourite party songs that they'd love to hear at your wedding. Provided the songs they request are suitable and appropriate, I will incorporate them into the flow of dance music. If you prefer, I can also run all the requests being mentioned in the group by you for approval.

**Would you like me to set up a Whatsapp or closed Facebook group for your wedding and would you then like to invite your wedding guests to join and share their song requests?**

## MC questions (if applicable)

---

If I will also be your MC, I can make any announcements, tell any stories and host any games or other activities that you like. By default, I will introduce myself and make all announcements to make your guests feel comfortable and so they know what is happening at any given moment.

**Aside from general announcements of wedding traditions like the first dance and the bouquet toss, are there any other special moments that you'd like me to announce?**

**Would you like me to tell the love story between the two of you at your wedding?**

**Are there any other stories or anecdotes you like me to share?**

**Are there any games or other fun activities that you'd like me to host?**

For example, the shoe game is an all-time favourite.
